TitanMoot 2018 - An Introduction

Welcome to TitanMoot 2018! As you will see on the following pages, we have arranged a variety of programming and entertainment to see you through the weekend.

The **Middleton Room** and **Syndicates 5&6** will provide our programme spaces.

The **Dillon Room** will be our Con HQ - please bring questions and issues here when the Info desk is closed.

Some programme slots have been reserved for **guerilla programming** - you can make proposals for these at the Friday night welcome or through Con HQ.

Syndicates 7&8 will be in use throughout the weekend as our **Gaming and Reading Lounge** - drop by, game, read or just chill. On Saturday the lounge will also host a **pop-up bookstall** courtesy of Jo Zebedee and Christopher Disley of Secret Bookshelf.

TitanMoot 2018 Code of Conduct

We ask that all members familiarise themselves with our Code of Conduct before setting out for the convention. The Code exists to ensure that everyone who attends the convention can enjoy themselves in a safe and pleasant environment, and we ask you all to be mindful and respect it.

The full Code of Conduct can be found at http://www.titancon.com/2018/code_of_conduct.php. Key sections are repeated below for ease of reference.

Respect for Others

TitanCon wants all attendees to enjoy themselves. As such, we ask that you respect each other. All TitanCon events should be a space where everyone feels welcomed and comfortable.

TitanCon operates a zero tolerance policy on aggressive and violent behaviour towards event staff and other attendees.

Discrimination (based on, but not limited to, gender, race, ethnicity, religion, age, sexual orientation, gender identity, or physical / mental disability) is not tolerated. Harassment of any kind is not tolerated. If someone tells you "no" or asks you to leave them alone, your business with them is done.

If you feel that you are being discriminated against or harrassed, or if you notice someone behaving inappropriately (such as violating hotel or convention policies), we respectfully suggest the following:

1. If you feel comfortable doing so, point out the inappropriate behaviour to the person(s) involved. Often this will solve the problem immediately.
2. If you do not feel comfortable talking with the person(s) involved, or if talking to them does not resolve the issue, please report the situation immediately to any TitanCon Staff Member. It would be extremely helpful if you could provide a name, badge name / number and / or physical description of the person(s) involved.

Serious breaches of convention policy will result in those involved being ejected from the premises. No refund will be given. In instances where criminal law has been broken the police will be called.

Health and Safety

Attendees must comply with the instructions of TitanCon event staff in all matters of health and safety, licensing laws and fire safety regulations. TitanCon requires that attendees comply with all convention signs and notices.
